

# JESUS CHRIST IS THE ANSWER TO ALL CURSES, SPELLS, AND ENCHANTMENTS

*Come and Experience*  
**JESUS**  
*AT WINNERS*

**T**he curses of life are real, but more real are the blessings of God that nullifies the effect of curses.

Many are under the siege of curses without knowing, but you can be free through an encounter with Christ

But How? First, you must be born again by giving your life to Christ and receiving Him as your Lord and savior because salvation is the only way of escape from all curses

Second, you should locate a living church and be

planted there for the security of your redemption. By the grace of God, ours is one of the living churches around the world where the word of faith is preached and confirmed with signs and wonders over decades. - *Biblical References* — Num. 23:23/1Jn. 5:4 / Jn. 8:32

*Consider the following testimonies and expect the same God to intervene in your affairs:*

### **Marital Siege Terminated Broken!**

'For over 57 years, no one ever got married in my father's lineage, but they all had children out of wedlock, and I belong to the fourth generation in

my father's lineage. I was young when I heard of this curse, so when I joined this church, I began to obey and follow all the instructions. Then, God showed up! God connected me to my spouse, and I became the first woman to ever wear a wedding gown in my house. Within six years of being married, God blessed us with three boys. Also, the woman who told me I would not get married and have children, ran mad and died in 2023. I return the glory to God!' — Mrs. Peace O.

### **The God of Winners Is My God!**

'I am a Muslim convert; meanwhile, my husband died a long time ago. I was left with seven children, but five of them died mysteriously, and each death occurred on 21st December of the year. So, I am left with two children, but one of them, who is 25 years old, had surgery and was in a critical situation. Then, I heard about this church and I joined with my challenges. I worshipped at the Yoruba session and got some materials with Bishop David Oyedepo's picture on it, so I took it to the hospital and placed it under my son's pillow. My Sister-in-law showed up and was angry, but I told her my faith is anchored on the God of the man on the material. While she attempted to throw the flyer

away, suddenly lightning struck her. She confessed and later passed on. Now, my son is well and healthy. We are all free. I return all the glory to God!' — Mrs. Modupe O.

**To enjoy this order of testimony, you MUST give your life to Jesus. To do this, say this prayer of faith:**

*Lord Jesus, I repent of my sins today, forgive me and wash me with Your Blood. I accept you as my Lord and Saviour and thank You Jesus for saving my soul. Now I know I am born again, and now I am a child of God. Amen.*
