

# Prophetic Covering is Real

29 · 05 · 2026

Prophetic covering is not new; it has been part of God's agenda for ages. For example, by a prophet, the Lord rescued the Children of Israel out of Egypt. According to scripture: *And by a prophet the LORD brought Israel out of Egypt, and by a prophet was he preserved* (Hosea 12:13). As long as the children of Israel were baptised unto Moses, they were preserved (1 Corinthians 10:1-5).

We saw how David ran for cover under Prophet Samuel so the hand of King Saul, his arch-enemy, and his messengers would not gain access to him (1 Samuel 19:18-24). We also saw how Paul, a prophet, and all that sailed with him were delivered from a shipwreck (Acts 13:1-5, 27:20-25).

Remember, he that receives a prophet in the name of a prophet shall enjoy a prophetic covering (Matthew 10:41). Apostles and prophets are custodians of God's agenda on the earth from age to age (Ephesians 3:1-5).

The good news is that God still has prophets in the body of Christ today, and I am only privileged to be one of them by a pure election of grace (Ephesians 4:11-13). God separated me to the office of a prophet some 45 years ago, and since then, He has been revealing to me His agenda for the hour, all to the glory of His name.

## THE ENCOUNTER — 29TH JUNE 1992

However, I had an encounter with God on 29th June 1992, where He said:

- ✓ Prepare yourself for a change of phase in ministry
- ✓ It is the era of signs and wonders
- ✓ It is a new dimension of a higher order!
- ✓ Begin to declare a total war against the kingdom of darkness; proclaim liberty, emphasise power and step into the realm of anointings.
- ✓ Usher in this new era with me!
- ✓ Begin to administer the forces of the spirit that will enable the saints to take up their inheritance in Christ....

### **Kingdom Ordinances Delivered**

This is what gave birth to the emphasis of the kingdom ordinances delivered to me, namely:

- ✦ Holy Communion – John 6:47-48, 14:9.
- ✦ The anointing oil – Exodus 25:30-31 / Isaiah 10:27.
- ✦ Feet washing – John 13:4-8 / Mark 13:7.
- ✦ The Passover blood – Exodus 12:23 / 1Corinthians 5:7.
- ✦ Prophetic Mantle – Psalm 45:6-8 / Acts 19:11-12.
- ✦ Angelic Ministry – Psalm 34:7 / Hebrews 1:14.
- ✦ Prophetic declarations – Ezekiel 37:1-2 / Mark 11:19-23 ... among others.

These are tested and proven spiritual weapons, with testimonies from around the globe, particularly as evidenced during the COVID-19 pandemic, when we harvested testimonies from across all the continents of the world.

Just like David confronted Goliath with an ordinary sling and stones in his hands, these ordinances will mark the end of the activities of all blood thirsty demons ravaging the length and breadth of Nigeria today. Therefore, we must not let any devil despise these proven weapons in our hands. The following striking testimonies validate the efficacy of these ordinances in battle.

### **Delivered from Ritual Killers!**

'On my way home from Victoria Island around 10 p.m., I hastily entered a bus, not knowing it was a ritual killer bus. Immediately after I boarded the bus, I fell asleep. When I woke up, I found myself in Ajah, and the ritualists asked me to cooperate with them. I looked at them and said they did not know who they were talking to. While we argued, my phone rang, and the ringtone was the Bishop's voice, speaking in tongues. When one of the elder ritualists heard the voice, he asked me who it was, and I said, "It is my father, the Bishop." He asked for the name of my church, and I told him Winners' Chapel. Then, one of them turned back and asked if I was Bishop David Oyedepo's son, and I answered in the affirmative. Immediately, the elder ritualist told me to go, and as I was about to leave, he called me back and apologised for the way they had wasted my time. He also gave me 500 naira from his pocket as my fare back to my destination. They never touched or manhandled me. I give God the glory!'

## Rescued from Ritual Killers via a Flyer!

'I am from an Anglican background and did not like Winners' Church at the beginning. However, I got married to a man who attends this church. Meanwhile, on Christmas Eve, I went out and boarded a tricycle. After a while, I saw a phone on the floor and thought it belonged to the driver. I drew his attention to the phone, but he told me to pick it up for him, and I did. Thereafter, I found myself following them to their car. When I opened my eyes, I found myself in the bush, and my legs were tied, along with 17 other people. When I looked towards my left, I saw dead people with 1000 and 500 naira notes coming out of them. Out of fear, I began to shout the name of Jesus. As such, the herbalist instructed one of his men to give me a drink that would silence me. My daughter was taken from me by one of the men, and in desperation, I threw my handbag at the man who took my baby. Immediately, the Shiloh 2015 flyer in the bag fell on the floor. Suddenly, Bishop David Oyedepo started speaking in tongues from the picture, and the 15 ritualists fell down, including the one carrying my child. I immediately took the knife from the ground and cut myself and the other 17 people loose. Thereafter, I carried my daughter and started running.

On the way, I saw a house with dead bodies and five big bags filled with money, but I could not stay there. So I contacted some of my family members on the phone, and a search was initiated. While I kept moving, I saw about 20 ritualists coming in my direction, and there was no hideout, but miraculously, God hid me from them, and they ran past me. Surprisingly, from 10 a.m. to 4:00 p.m., my baby did not cry. When I got to a place, I saw some buildings, and I thought the buildings were housing the kidnappers, so I decided to run into the bush. Then, someone jumped on me. Lo and behold, it was my niece, and then my husband came. I was taken to the Pastor for prayers, and the Anointing Oil and Communion were administered. However, the effects of the charmed I was given to drink persisted, as I became deaf and dumb. So, the Pastor organised prayers for me. Today, I am totally free. To God be the glory!

## Delivered from Ritual Killers a Flyer!

'Before Shiloh, while returning home from work, I boarded a bus to Ajegunle. There were about eight passengers and four men in the bus, and as the journey commenced, there was a diversion. So, I asked one of the men where we were going, but he told me to keep quiet, and I did. Then, one of them brought out a white substance and blew it inside the bus. As this happened, the eight passengers slept off, but I did not sleep. The man who blew the substance looked at me and asked why I was not sleeping. I told him I would not sleep, and no one should force me.

When we arrived at a shrine, the passengers who had fallen asleep were woken and made to come out of the bus one after the other. When it got to my turn, the man asked who I was, and I told him to ask his men who brought me there. The man brought out a pigeon from the pot and waved it over my head, and the pigeon died. He brought another pigeon and did the same thing, and it died. He looked at me and asked again who I was, and I told him the same thing I said earlier.

While another argument ensued, a Shiloh flyer I had in my pocket popped out and fell in front of the shrine. When the man saw it, he asked me what was on the floor, and I kept quiet. He picked it up, and as soon as he saw the picture of Bishop David Oyedepo on the flyer, he got angry and told everybody to leave the place immediately. That was how the eight passengers and I left that place unhurt. I give God all the glory!'

## Rescued from Bandits!

'On 9th May 2026, I travelled to Delta State for my aunt's burial. On the way, before we got to Okada, we heard gunshots behind, and the driver thought it was the vehicle's exhaust. After a while, we noticed it was bandits shooting at us. As such, I called on the Angel of this Commission as instructed by Bishop David Oyedepo. While they kept shooting at us, the driver found a way to manoeuvre. The vehicle behind us was captured, but God exempted ours from being captured. I return the glory to God!'

## The God of Oyedepo Showed Up!

'I heard a strange noise outside our apartment and decided to turn off the generator so I could trace the source of the noise. As soon as I did, I was surrounded by six armed men, and they ordered me to lead them into my apartment. Then I began to shout, "The God of Oyedepo, show Yourself!" One of them told me to keep quiet; otherwise, he would shoot me, but I told him he would not shoot me unless he wanted to die. While we walked to my apartment, I continued to call on the God of Oyedepo to show Himself. As we got to my door, they dropped their guns and the things they brought from the previous raids and started begging me to stop calling on the God of Oyedepo again. Lo and behold, they left, and immediately, people trooped into the compound to witness the miracle. To God be all the glory!'

— Samuel Ikpeam

## Delivered from an Armed Robbery Attack!

'In the early hours of the morning, armed robbers came to our compound, and my house was the first one they came into. When they got to my corridor, they flashed their torchlight through my window. When one of them saw the Winners Satellite Fellowship (WSF) banner carrying the picture of Bishop David Oyedepo, he said, "Baba wanibiyi, e w'oke!" which means, "Daddy is here, look up!" With that, they left my compound without harming anybody. They went to the compound opposite and shot a man in the eyes. They also shot a child and carried out a lot of evil, but God of Wonder Double rescued me and those living in my compound. I give God all the glory!'

## Rescued from Robbers!

'After the 21-day fasting and prayer, my mother came to Lagos to join me. Then, one night, my mother and I engaged in a one-hour prayer. Thereafter, we went to bed, and at about 3:15 a.m., I heard Bishop David Oyedepo's voice, telling me to rise. I stood up, and the same voice told me to look at my window, and as I did, I saw three men inside my compound. They had already removed the net, trying to break down the burglary to gain entry to my house. At that point, I asked who they were and what they were looking for. Then, I commanded them to get out of our compound in the name of the God of Bishop Oyedepo. Lo and behold, as I was just calling on the God of Bishop Oyedepo, they began to tell me to take it easy, that they were going, and they quietly left. No one was hurt, and they never took anything from my house. I return all the glory to God!'

— Paul A.

## Rescued from Robbery Attack via Audio Message!

'On 4th January, I boarded a bus from Jos to Delta State at about 7:30 p.m. As we proceeded, I listened to Shiloh 2009 audio messages by Bishop David Oyedepo. Immediately we got to Lokoja, armed robbers struck and entered our vehicle. As I tried to switch off the message, the earpiece I was using disconnected from the phone. The message was loud enough as the Bishop spoke in tongues. Then, one of the robbers asked, "Who is playing that music?" I said it was not music, but a message. He then asked who was speaking in the message, and I told him Bishop Oyedepo. Immediately, I heard one of the robbers say they would not operate again. The gang leader came to me and asked for the message, and I gave me. He also requested my number, which I gave me. A week later, he called and introduced himself to me as the robber who took my phone number and Bishop's message. He thanked me for the message and asked me how he could get more messages. I told him to locate any of our churches near him for more messages. God delivered me from armed robbers. To Him alone be all the glory!'

## Rescued from Kidnappers!

'I travelled from the East to Lagos for a business trip, and on my way back, after the Benin bypass, a group of armed herdsmen stopped our vehicle and the two vehicles in front of us. They went to the first car, shot and killed a six-month-old baby and the mother. Then, they ordered those alive in the first and second vehicles to come out, and they marched them into the bush while we watched them inside our vehicle. When they came to our bus and were about to march us outside, their leader looked at me and noticed I had a Winners T-shirt on; he quickly ordered our driver to drive us out immediately. That was how the God of this Commission delivered us from those wicked kidnappers. I return all the glory to God!'

## Rescued from Hired Assassins!

'A customer called me to deliver some goods for him and told me his brother would direct me to the delivery address. So, the brother asked me to take a bike to a junction, and I did. I met with him, and he took me through a path that looked like a forest. Suddenly, he stopped, and four armed men came out of the bush with AK-47 and machetes. One of them told me that the man who asked me to come sent them to kill me. He shot at me at close range, but the gun did not respond. The other three opened fire, and the same thing happened. They also used a machete on me, but it was as if it was landing on a water plastic because I could not feel it. When their leader came out of the bush, he asked them to collect my phone. As he searched through my pictures, he saw Bishop David Oyedepo's picture and asked if I was a Winner, and I said I was. Then, he said, "You Winners are not human beings, but gods," and they left. I came out of it with no scratches. I give God all the glory!'

## Divine Exemption via Stickers!

'Last week Thursday, some robbers came to our compound, and my mother engaged in prayers, and I joined her. When the robbers came to our door and saw the My New Dawn Era and My Case is Different stickers, they said, "This is Papa's house, and we do not want any problem with him." That was how they left without robbing us. To God be the glory!'

## Missing Child of Over Two Years Found!

'On 7th April 2009, God blessed me with a set of twins—Praise and Glory. On 17th April 2011, which was an Anointing Service, we came to church, and they were taken to the Children's Department. At the close of service, one of the twins (Praise) was missing. I became confused. That day, I was privileged to meet with Bishop David Oyedepo, and he declared that she would be found. I held on to God and the prophetic word from the Bishop. Despite the mockery from neighbours day after day, I prayed and believed God for a miracle. Lo and behold, on Saturday, 15th June 2013, after two years and three months, she was found. To God be the glory!'

**Note — The abductor's confessional statement:** My name is Ajelu Benjamin. After I took the child, I saw Bishop Oyedepo in my dream with a sword in his hand, warning me to see the grave and see myself. As such, I said I would not wait till I die. I went to the Reverend in my church and told him to go with me to Bishop Oyedepo, as he is the one I want to see to confess to him, because I have been seeing him in my dreams, wearing a bishop's cap and a sword in his hand, calling and warning me, and telling me about God. He said I should repent so I would not die. This morning, while sleeping, I had a very bad dream. I could not wake up from that dream. I tried to wake up, but something was holding my throat. I suffered a lot, and I could not breathe; I could have died last night. So, I said to myself, 'No, this is the time for me to go and confess.' I called the Reverend in the morning and told him that we needed to go to Canaanland urgently to see Bishop David Oyedepo, as too much delay was dangerous.
