

BARRENNESS TERMINATED VIA WSF!

I joined this Commission in 2007 and got married in 2015, and for six years, we trusted God for the fruit of the womb. However, I engaged in the Wonder Double Prophetic Agenda with all fervency, believing God for my supernatural conception. In September 2020, I prayed earnestly, asking God to show me His mercy, having done everything in the kingdom to be fruitful, and the Lord spoke expressly to me. He reminded me that I said I would have a home cell fellowship in my house when I got married. The following day, I went to church and met an old friend who told me a home cell was needed around my house. I told her my house was available to receive the ark of the covenant, and in October, the cell was planted. Then, God showed up! In November, after my morning prayers, the Holy Spirit asked me to take a pregnancy test. Because I was not ready for bad news, I refused. I heard the voice again, so I obeyed. Lo and behold, the result was positive. I went for a confirmation test at the lab, and I was confirmed pregnant. I showed my husband, and he was confused and suggested we go to our family hospital. We did, and a scan was done, which revealed I had conceived since October, the same month the home cell fellowship was planted in our home. On 6th July 2021, I delivered a baby girl. To God be all the glory!

DEAD CHILD JERKS BACK TO LIFE!

We got married in 2017, and in 2018, we had our first daughter. In 2020, the devil struck and took her. Meanwhile, we had already left this Commission, but during that period, my husband prayed and saw Bishop David Oyedepo in his dream, and he took his hand to the midst of those who were praying. Thereafter, we returned to the Commission and opened our house for the WSF. In 2021, I had another child, and she was attacked; she cried from her sleep, and when we got to her, we saw her jerking, and then, she became lifeless. We administered the Kingdom mysteries, and my husband took her to the living room and told God that our house is a WSF centre, which is an extension of Canaanland, so nothing dies in our hands. Lo and behold, one hour later, she jerked back to life. We give God all the glory!'

MENTAL TRANSFORMATION AFTER JOINING THE HOUSE FELLOWSHIP!

In 2017, at the age of eleven, a girl joined our House Fellowship, and she could not read the Bible. So, we kept administering Kingdom mysteries on her and encouraging her, and she kept believing, praying and making some positive confessions. Thereafter, we began to see changes, and her mental capacity kept improving, as she started taking first position in class. Also, she took part in several competitions at the state level, and she came first. In 2021, she took part in a competitive entrance examination for a 10.5-million-naira scholarship award, and she won the competition. Thereafter, when her first term results were released, she came first again. I return all the glory to God!

SUPERNATURAL BREAKTHROUGH AFTER ATTENDING FELLOWSHIP!

I had always been invited to the fellowship close to my house and had always refused to go. Recently, I decided to attend, and I didn't go alone; I invited five people. Lo and behold, the next day, I received an increment in my salary. Meanwhile, I had a police case and was slated for arrest. Miraculously, the case was closed. I return all the glory to God!

STOLEN ITEMS SUPERNATURALLY RESTORED VIA THE PRAYER OF CELL MEMBERS!

 On 4th February 2024, while I was in church, some thieves broke into my home and gained access to my room. They took my belongings, which included my international passport, voter's card and National ID card. So, my cell members joined me in prayers for the restoration of all that was stolen. Lo and behold, on 15th March, all the items were miraculously returned to the exact position they were stolen from. I return all the glory to God!' — **Alo Monica**

MIRACLE JOB VIA PRAYER AT HOME CELL!

After my National Youth Service Programme in June 2019, I trusted God for a miracle job. I went for several interviews and was rejected. Thereafter, I travelled to Anambra State for an interview at a company, and God miraculously gave me the job after I was prayed for at the home cell. I return all the glory to God!
