# CONCEPTION VIA PROPHETIC DECLARATION!

**M**y wife and I got married in 2021; thereafter, we trusted God for the fruit of the womb. In 2022, we went for medical examinations, where my wife was diagnosed with ovarian cysts, PCOS, hormonal imbalance and a blocked fallopian tube, and I was also diagnosed with low sperm count. We did not allow the reports to tamper with our joy and stewardship as we tirelessly engaged in kingdom advancement endeavours.

We tried as much as possible not to miss the Liberation Hour Service, and my mother kept encouraging us to keep connecting that our testimony was tied to the programme. On 25th June 2024, we connected online, and Bishop David Oyedepo made declarations for those online trusting God for the fruit of the womb, and we keyed into them. On 2nd July, while the Bishop ministered, my wife heard a voice instructing her to do a pregnancy test, and she did. Lo and behold, the result came back positive. Immediately, we went to the lab for a blood test, and the result returned the same. We return all the glory to God!' — Pastor and Mrs Emmanuel D. (Owerri)

# MIRACLE BABY VIA THE COMMUNION!

ome months ago, I realised my stomach and legs were swollen. I went to the hospital for a test and was told I was not pregnant. I went to another hospital, and I was told the same thing. The doctor concluded I had an infection, and so I was given some antibiotics. While I took the medications, I prayed and did all I knew how to do, but the situation remained the same. However, during the 21-day prayer and fasting, I came to Canaanland to camp with God. In the second week, I met with Bishop David Oyedepo, and he laid hands on me. At the third week, during the Communion Service, I partook of it and told God that whatever was making my body swell must come out. Lo and behold, the next day, I started having labour pains. Some minutes later, I gave birth to a bouncing baby boy. I return all the glory to God!' — **Joe Babra**

# 13 YEARS OF BARRENNESS TERMINATED!

**F**or 13 years, we trusted God for the fruit of the womb. After several medical trials, we resolved that only God could solve our situation. While we obeyed every instruction from the altar, we settled down and reflected on God's Word, and God told us that children are His heritage; if we are denied children, Satan is robbing us of our inheritance. So, we intensify our Kingdom commitments and administer the Anointing Oil, Communion and the Prophetic Mantle. In 2022, while Bishop David Oyedepo made declarations during the Liberation service, he rebuked the spirit of barrenness. That same month, I was confirmed pregnant. Today, God has blessed us with a bouncing baby girl. We return all the glory to God!

# A SET OF TWINS VIA PROPHETIC DECLARATION!

 We got married in April 2024; two months later, my wife went for a test and was diagnosed with a hormonal imbalance and ovarian cyst. So, we engaged in kingdom advancement prayer. In June, Bishop David Oyedepo declared that all the Sunday Services would be healing Services, so we came with the test results. When the Bishop instructed us to place our hands where we had a health challenge, we did, and that was the end. On 28th July, we came for the Covenant Day of Fruitfulness Service and brought our baby items as instructed. During the service, the Bishop made declarations, which we believed. Today, God has blessed us with a set of twins. To God be all the glory!' — Mr and Mrs Ernest Arinze

# MIRACLE BABY VIA PROPHETIC DECLARATION!

I got married in 2017, but till 2019, my wife could not conceive. She insisted we go to the hospital for a checkup, but I told her doctors would always have something to say, but God will always have His way. In May 2019, we went for a test, and the result showed she could not conceive on her own. We were advised to go for IVF as our only option to have children. However, in June, Bishop David Oyedepo declared the 7-day fast in the midst of the year, and I told my wife it was for our testimony.

A few days before my birthday, I came to camp with the Lord; I asked Him to bless my wife with a male child. On 7th July, my birthday, a woman who was my birthday mate shared her testimony of how God blessed her with a child as a birthday gift after waiting for so many years. I keyed into the testimony, and when the Bishop got to the altar, he pointed in my direction and declared, “You shall return next year with your children,” and I received it. Lo and behold, on 28th July, my wife was confirmed pregnant for the first time, and today, we have our baby boy. I return the glory to God!’ — **Odunayo Olumuyiwa**

# MIRACLE BABY VIA THE HOLY COMMUNION!

**I**n 2021, I had a miscarriage, and since then, it has been difficult for me to conceive again. However, someone invited me to this church in 2023, during the Communion Service, and I partook of the Communion. When I got home, I began to see changes in my stomach, as the stomach pain I used to have disappeared. In September 2024, I conceived, and in 2025, I gave birth to a baby boy. I give God all the glory!' — Bolaji Folashade

# MIRACLE BABY VIA PROPHETIC DECLARATION!

**I**n 2024, I got married; thereafter, I trusted God for the fruit of the womb. However, on 23rd February 2025, I attended the Covenant Day of Fruitfulness Service with my point of contact and Anointing Oil. While Bishop David Oyedepo ministered, he declared, “You may not see it, but you have it!” I held on to that declaration. Lo and behold, one month later, I was confirmed pregnant, and in December, I delivered my baby. I give God all the glory! —

# FIVE YEARS OF BARRENNESS TERMINATED VIA THE HOLY COMMUNION!

**F**or five years, we trusted God for the fruit of the womb. Meanwhile, we went to the hospital, and after some tests were carried out, we were told that my wife would not be able to conceive because our blood did not match. However, we came for a Communion Service and partook of the Holy Communion, believing that our blood would blend. Thereafter, my wife was confirmed pregnant, and in 2019, God blessed us with a baby boy. In 2021, God blessed us with a set of twins: a boy and a girl. I return all the glory to God!' — Mr and Mrs Ajine

# SIX YEARS OF BARRENNESS TERMINATED!

**M**y daughter has been married for six years without the fruit of the womb. The Lord gave me a word from Deuteronomy 7:14, and I prayed with it on the altar. Thereafter, I gave her the Communion to take daily. Lo and behold, in 2025, she was confirmed pregnant, and on 8th February 2026, she delivered safely without any complications. To God be the glory!' — Evangelist Blessing Odemuyiwa Taiwo
