

MARITAL BREAKTHROUGHS TESTIMONIES

These are testimonies of God's faithfulness — from broken marriages restored to long awaited divine settlement. Read and be encouraged that what God has done for others, He will do for you.

1 8-Year Broken Marriage Restored

I believed God for the restoration of my marriage for 8 years although I became a Winner in 2010. In 2016, I participated in outreaches for 4 days in a week and also engaged in Kingdom advancement prayers. Four weeks into my Kingdom stewardship, I had an encounter from Genesis 2:18 and my husband started showing signs of reconciliation. Miraculously, we finally reconciled in May, 2016. The year of From Glory to Glory has truly answered to his name in my life! Truly Matthew 6:33 works. I give God all the glory!

— Mrs. Helen U.

2 9 Years Broken Marriage Restored and Career Breakthrough

In all my years as a believer, this midst of the year happens to be my best year in kingdom stewardship. In this wonder double season, I served God with the whole of my heart in prayers and witnessing to the lost with full expectations. I keyed into all the prophetic word, and like a dream of the night, God turned my life around. After our Sunday communion service in July, I left the church that morning and decided to call my husband whom we had been separated from for 9 years. I said he should come and take me home and he obliged. Today, we have reconciled, despite many failed efforts in attempting to put the family together in the past. Thank you Jesus. Indeed, serving God pays.

3 Marital Siege Broken

I am one of the returning members of this great commission, I want to give God all the glory for bringing me back home. I picked a flier which was calling all embattled winners to come home towards the end of the first phase of wonder double prophetic agenda. I decided to come back home, I decided to fully participate in the Matthew 6:33 mission. That same week, I got a call that I was one of the awardees of a brand new car. When Papa declared the 2nd phase — Operation Rescue Prophetic Agenda — I engaged fully. On the Marital Breakthrough Banquet Sunday, Papa prophesied that some of us would receive a proposal that same day. Like magic, I got home and received a message from a business contact who proposed marriage to me that very day. Meanwhile, the lady I invited to service also testified of receiving a proposal the Monday after the banquet. I believed the word of God's servant and I received my portion. GOD of Wonder Double is indeed a rewarder.

4 Salvation And Marital Restoration

I joined this commission in August 2011. My husband, who was not saved, vehemently opposed my attending this church, but by all means I kept receiving and attending to instructions from the prophet of this Church. On the 1st day of Shiloh 2014, I came to Shiloh with bruises and severe body ache from my husband's beating, and God healed me on Shiloh ground. During the Wonder Double Agenda, I keyed into every prophetic instruction — attended covenant hour of prayers, went out for all church outreaches, engaged in kingdom advancement prayer, and forgave my husband. I also engaged in 7 days' vigil prayers for his salvation. Suddenly, that same week, he came to beg me and took us back home. On the 20th of September 2015, being the 'Covenant Day of Family,' my husband prepared that morning, entered the car, and instructed me to drive to Canaanland — and since then he has never stopped coming to church. Doors of favour have been opening for him. I give God all the praise.

5 Miracle Marriage!

Bishop David Oyedepo emphatically said that the Midst of the Year is our season of getting every everlasting mountain on our path levelled. He further said that if we were unable to get anything out of that season, it is our fault. So I keyed in and partook of the outreaches with all my heart. Before then, I asked God to show me where He wanted me to have my outreach for maximum impact and He showed me a particular place in my dream. The impact was massive as nine souls came to church and got established. During that period, I went to the ATM in church to get some money to give to my new converts — then I met my God-ordained husband. Now we are colourfully married. I give all the glory to God who says what He means and means what He says!

6 Kingdom Advancement Endeavours Pays!

I was severely stagnated and was given a notice to quit my apartment. Also, although my business line is highly lucrative, I had nothing to show and couldn't meet up with my basic responsibilities. I engaged in the waves of Kingdom advancement endeavours — praying Kingdom advancement prayers and giving transportation seeds. I also rededicated my life to Christ. Suddenly, the Lord blessed me with a fantastic apartment, a fantastic car, a new office and a miracle marriage. All these took place between the months of June and July 2018. God of the liberation mandate has confirmed the word of His Servant, Bishop David Oyedepo, in my life. I give all the glory to the speaking and doing God who is forever faithful! To Him alone be all the glory!

7 Fifteen Years Marital Siege Destroyed!

For fifteen years, I trusted God for marital settlement. Meanwhile, in one of the services, Bishop David Oyedepo spoke directly to me from the altar. He said, 'The reason it looks as if nothing is happening is because God is preparing the very best for you.' In 2018, I came for Shiloh and attended the Marital Breakthrough Class. In one of the classes, Bishop Aremu said that someone was graduating from the class. Thereafter, I stopped praying for myself and started praying for friends that desired marital breakthrough. However, when the enlistment form for missionary evangelists came out, the Holy Ghost instructed me to dive into it. I had a well-paid job, but I decided to follow this instruction. Lo and behold, God showed up! He connected me to my spouse and today, I am married. I return the glory to God!

8 Supernatural Turnaround Via Kingdom Endeavour

During the midst of the year 2015, Bishop David Oyedepo instructed us to engage in Matthew 6:33 and watch what God would do in our lives. I took the instructions seriously — praying at midnights, engaging in the evening and morning raids, reaching out to the lost and winning souls for Christ. Meanwhile, I had been stagnated academically for 7 years and was long overdue for marital settlement, mocked both in secret and openly. At the Marital Breakthrough Service in August, Papa prophesied: 'Within 7 weeks your God-ordained spouse shows up.' I believed it and received it. Exactly 4 weeks later, the God of grace connected me to my own God-ordained spouse. In the midst of our wedding preparation, the siege over my academic life was destroyed — now I am a graduate. On 22nd April 2017, we were gloriously and colourfully married. Serving God truly pays. To God alone be all the glory.

9 3 Years Marital Separation Restored

It was three years back when my husband left his marital home with a one-year-old child in my hands to support. I struggled as a single parent to keep this child in good state for three years. I came to service on 27th September 2015 — the Covenant Day of Recovery — believing God for speedy recovery of my marital dignity. While the prophetic word was going forth, God's servant declared: 'Your runaway husband wherever he is shall return back to you this week.' I shouted amen to that declaration. I reached home after church service, and while cooking, my senior brother came telling me that my husband's car was parked in the yard. I rushed out — lo and behold, my husband was sitting in the car with all his belongings. He said to me, 'Sweetheart, I have finally come home.' I return all the glory to God for taking away my shame and restoring my home.

10 10 Years Marital Stagnation Broken!

I had suffered from marital stagnation for 10 years. I had been believing God to connect me to my own marital destiny, and for better accommodation. I prayed to God for a change of status and level. I am the firstborn in my family — two of my younger ones were already married, but I was not yet married at age 39. I then decided to key into Kingdom advancement endeavours in evangelism and soul-winning. Lo and behold, God answered me! Now I am married! I thank God that the 10 years marital stagnation is broken!

11 My Husband Returned Back Home

My husband woke up one day and left the house. When I called to ask about him, he turned against me and called me names. My father-in-law told me it was too late — that my husband had already moved in with another woman. My children and I went to pay him a visit and his entire family drove us out. I ran to God's Servant, and he declared: 'Your husband will come back and you shall enjoy peace in your home.' I said amen. The following day, I was told that my father-in-law drove the evil woman out of the house. To my greatest surprise, my husband came back home that very day and apologized. His love for me increased more than it was before. Even those who drove me out now love me and the kids more than before. To God be the glory for restoring my home.

12 Marital Spell Broken!

We are five girls in my family. My eldest sister is 45 years, while I am 30. Until recently, none of us was married — we were under marital spell for many years. In February last year, I came to Lagos for training. While there, the Miracle Marriage Service commenced in March and I attended the March and April sessions. Pastor (Mrs.) Faith Oyedepo said: 'What you truly stand believing God for, is what God will give you as a testimony.' I held onto it. In July, a brother who worshipped with us at the Zonal Centre came to Benin and proposed to me. In November, we got married! Since then, suitors have been coming to ask for my sisters' hands in marriage. To God be all the glory for breaking the marital spell!

— *Ekene O.*

13 Marital Breakthrough

On 23rd August, a Sunday Service, it was announced that the 30th of August would be our Marital Breakthrough Service. Bishop Oyedepo emphasized and said singles believing God for marriage should come expectant. After the word, God's Servant prophesied: 'As the Lord liveth, as your father in the faith standing in the place of Abraham, I decree that within 7 weeks you are connected to your God-ordained spouses.' I screamed amen with tears gushing from my eyes. The declaration was made on 30th August 2015. On 1st September 2015, my God-ordained husband showed up — in the very course of the week as declared by God's servant. Now I am starting my marriage counselling. Indeed, God is mighty in the midst of His people. I am like them that dreamt. To Him alone be all the glory.

— Eyem Daniel

14 Twenty Years Marital Siege Destroyed!

For twenty years, I trusted God for marital settlement. However, in 2019, I came to Shiloh for the first time. In one of the services, Bishop David Oyedepo said: 'You will return to Shiloh 2020 in your multiplied state!' Thereafter, I started declaring those words every morning and night. Lo and behold, my husband showed up, and on 28th November 2020, I was gloriously married. I return all the glory to God!
