

LIVING FAITH CHURCH WORLDWIDE

GOOD NEWS

The number of buses in our fleet is now in hundreds. Several individuals and families in church have been instrumental to making these buses available.

In the same vein, a number of people give transportation offering towards the movement of members to and from church. May everyone involved at all levels be openly rewarded in Jesus' name.

However, we have continued to have worshippers that are stranded across our various loading bays.

For this reason, a hundred more coaster buses will be required. Anyone prompted to rear an altar of sacrifice in this regard can do so.

100 MORE COASTER BUSES REQUIRED
